

# Data Copy King

*Industry's highest real-tested disk image speed at 7.0GB/min, disk wipe at 8.0GB/min*

*Innovatively copy bad sector/unstable drives fast*

*Upgradable imaging solutions unlimited business success*

2010 latest all-in-one hard drive duplicator integrating disk image, disk wipe, forensic data capture and HDD auto detection copying bad sector /unstable drives

## Features

- ✓ Fastest Duplication-- Imaging disk at 7.0GB/min with data protection
- ✓ Data wiping—999 rounds of Wiping disk permanently conforming to DoD Standard at 8.0GB/min
- ✓ Forensic data capture—Getting solid forensic images with MD5/CRC verification
- ✓ HDD auto detection—Fast test and bad sector analysis with clear graph
- ✓ Universal support—No restriction of brand and model
- ✓ Support TB-level hard drives--Especially designed for TB-level hard drive supporting up to 131072TB
- ✓ Stand-alone with color touch screen

## Special data capture function

- ✓ Unique design for Unstable hard drives --Hard disk with bad sectors and handling drives after head/platter swap
- ✓ Customizable algorithms-- Set read response based on individual sector read errors
- ✓ Build-in write protection—Source data protection and evidence integrity
- ✓ Copy or erase HPA or DCO areas on hard-drives—Access to all the data

# Data Copy King

## Specification

HDD interface	SATA, IDE(ATA), USB (with adaptor)
HDD Ports	Master: 2      Target:2
Compatible HDD	Any manufacture's HDD in TB-level capacity
Dimensions	Length width height 174*225*98 (CM)
Weight	1.7KG
Power control	Standard 250W, 4P power (5V and 12V)
Host interface	USB (for PC connection)

### Packing list:

1. Carry case: 1 piece
2. Duplicator hardware console: 1 piece
3. USB cable: 1 piece
4. Cable SATA: 2 pieces
5. Cable IDE: 2 pieces
6. External Power Supply: 1 piece
7. Touch Pen: 1 piece
8. CD with software: 1 piece
9. HDD Power cable: 2 pieces
10. ELF 916 Universal Adaptor: 1piece
