

Data Copy King (DCK) is newly designed for **Disk Clone Solution** from SalvationDATA technology, with color touch screen and build-in SATA/IDE support, USB support with adapters.

Data Copy King is the only **Disk Duplicator** with ‘UNIC’ imaging technology which is able to clone data from good drives or drives with severe bad sectors or drives with data loss due to logical failure.

Data Copy King provides disk clone and disk wipe and auto disk detection with speed of disk clone **7GB/min** and disk wipe **8GB/min**

Data Copy King is widely applied among **Data Recovery Companies**, **Computer Forensic Agencies**, **Security Agencies**, **IT Aftermarket Departments**, **Banks**, **Universities**, **Hosting companies**, **Individuals**, etc.

Key Features:

- 01> Support TB-level hard drives up to 131072TB
- 02> Easy to use and With duplication transfer rate up to 7GB/min
- 03> Wipe a hard drive at 8GB/min, impossible to recover
- 04> Supports Windows 7, Vista and any kind of OS
- 05> Repair and bypass bad sectors innovatively
- 06> Complete data erasing with DoD standard
- 07> Able to Copy and clear HPA or DCO areas on hard-drives
- 08> Solid forensic images with MD5/CRC32/SHA-256verification
- 09> Intelligent HDD Auto detection of the bad sectors
- 10> log auto generation and printing
- 11> Free lifelong software upgrade and after sale support

Benefits of distributing Data Copy King:

- Data Copy King is a 0 training required hard drive duplicator and you don't need to spend much time to learn it;
- Data Copy King has enough competitive features to defeat your competition: The latest fastest hard drive duplicator with innovative bad sector handling capability!
- Data Copy King is all-in-one tool with disk image, disk wipe and fast HDD auto detection, this makes you start with a large potential customer group;
- Free shipping worldwide, free after sale support and free online immediate upgrade!
- We will provide all distributors with Google Adwords and articles support in the assigned area to promote the sales
- We will help all distributors with qualified marketing materials
- We will provide profitable discount and purchase terms to all distributors and help them in the success of their business expansion and brand extension.

Packing list:

- 1, Carry case: 1 piece
- 2, Duplicator hardware console: 1 piece
- 3, USB cable: 1 piece
- 4, Cable SATA: 2 pieces
- 5, Cable IDE: 2 pieces
- 6, External Power Supply: 1 piece
- 7, Touch Pen: 1 piece
- 8, CD with software: 1 piece
